Standards of Conduct for Contractors, Volunteers and Interns

Definitions

Contractor - Any individual or business under legal agreement with the Ohio Department of Rehabilitation and Correction (ODRC) to provide goods, services or construction for a certain price.

Volunteer - Any individual who has been recruited and has requested volunteer status. The person will be involved in on-going programs and will have direct contact with offenders and offenders under supervision. Paid or unpaid student interns shall be considered as volunteers.

Intern - A paid or unpaid individual in an educational or experiential capacity whose institution or department assignment will deliver a work product of material benefit to the individual and DRC.

Purpose

The purpose of this document is to provide guidance to contractors, volunteers and interns entering the facilities of the ODRC or working with offenders under supervision. In view of the nature and purpose of the various facilities of ODRC it is necessary that all persons who enter the facilities or work with offenders under supervision in the community, understand the rules and security requirements of a correctional environment. Persons entering a correctional facility or who provide services to offenders under supervision, have certain obligations under law to insure that their actions do not jeopardize the safe and secure operation of ODRC.

Responsibilities

The Site Manager (APA Regional Administrative/Designee, appropriate Section Manager, or Warden) of each facility/region has the responsibility to ensure that all contractors, volunteers and interns understand the guidelines necessary for their safe entrance and operation while in a correctional setting. Staff will be assigned by the Site Manager to ensure that all such persons are properly oriented to working in a correctional environment. Contractors, volunteers and interns must realize their responsibility to follow the rules of conduct, ethics, policies, and law relating to their assignments. The Site Manager will approve entrance and training of all contractors, volunteers and interns and has the authority to terminate entrance authorization or working relationships for any such person who has demonstrated an inability to follow the approved guidelines. In addition, violations may result in termination of contracts/services and/or prosecution.

Personal Conduct

It is essential to the orderly operation of a correctional department that all persons conduct themselves in a professional manner. The following are several types of behavior that will not

be tolerated within a correctional environment, including APA offices. (This is not intended to be an all-inclusive list).

1. The use, possession, conveyance, or unauthorized distribution of illegal drugs, narcotics, or controlled substances is strictly prohibited at any time. Use of alcoholic beverages or being under the influence of alcohol or drugs while on duty or conducting volunteer work is prohibited.
2. No person shall, without authorization from the Site Manager, allow themselves to show partiality toward, or become emotionally, physically, or financially involved with offenders, parolees, probationers, transitional controlees or their families, or establish a pattern of social fraternization with same.
 - A. No persons shall offer, send or give to an offender, parolee, probationer, transitional controlee, or a member of his/her family, or to any person known to be associated with him/her, any article, monies, favor, or service which is not authorized in the performance of the person's duties and which conflicts or appears to conflict with the person's assigned duties. Contractors/volunteers or interns shall not accept any gift, personal service, or favor from an offender, parolee, probationer, or transitional controlee, or his/her family, or person known to be associated with him/her which is not authorized in the performance of the person's duties and which conflicts, or appears to conflict, with the person's duties.
 - B. Contractors shall not visit an offender, parolee, probationer, or transitional controlee while such an individual is under the supervision of the Department unless such a visit is given prior authorization during the contract service period by the ODRC Contact Person and Site Manager of the respective facility or the visit is part of the job duties.
 - C. Volunteers/Interns shall not visit an offender at the institution or DPCS office that they are volunteering at except as referenced by DRC policy 71-SOC-01. Volunteers must notify their staff supervisor and complete DRC form 1500, Staff Nexus, if/when they choose to visit an offender at another prison.
 - D. Contractors who become involved in any set of circumstances as described above, have an affirmative responsibility of notifying their contact person at the correctional institution who will be responsible for notifying the site manager.
3. No such person shall, without the express authorization of the Site Manager, show favoritism or give preferential treatment to an individual under supervision of the ODRC to include, but not limited to offering, receiving, or giving of a favor or anything of value.
4. Brutality, physical violence, or intimidation of inmates, and/or their families, such persons will not be permitted, nor will force be used beyond that necessary to protect any person from physical harm.
5. The use of obscene, threatening, or abusive language by contractors/volunteers toward offenders or others will not be tolerated.

Work Schedule

Due to staffing and security concerns and the nature of services being performed by contractors, volunteers and interns, it is essential that contractors, volunteers and interns work out a mutually acceptable work schedule with their ODRC Contact Person or Intern Mentor. Failure to perform services consistent with the mutually agreed upon schedule may be considered failure to fulfill the requirements of the contract, volunteer service or internship program.

Responsiveness

1. Inattentiveness to job responsibilities and procedures in a correctional environment can result in escapes, assaults, and other incidents. Therefore, contractors, volunteers and interns must remain fully alert and attentive during the time they are on state property or in a state operated office.
2. To ensure safety and security to the facility and DPCS operations, such persons must abide the instructions of their ODRC Contact Person or Intern Mentor regarding safety and security related issues.

Confidentiality

1. Some contractors/volunteers may have access to official information, ranging from personal data concerning staff and inmates to information involving security. Because of the various degrees of sensitivity afforded to this information, official information may be disclosed or released only as required in the performance of any contractor's/volunteer's duties upon specific authorization from someone with the delegated authority to release official information. The Director or his designee in the Operation Support Center and the Site Managers are the only persons authorized to release official information.
2. The above shall not be construed as a reason to deny authorized persons access to official records and files. ODRC has an obligation to supply official information in response to requests from organizations or individuals upon determining that such individuals are properly identified and acting in an official capacity. To ensure the proper use of official information the following rules of conduct are established:
 - A. Contractors/volunteers will verify the identification and authority of individuals requesting access to information prior to giving or discussing records, personnel files, or other official information.
 - B. Authorized persons will not be denied access to official information.
 - C. Contractors/volunteers will not use, or release for use, official information for private purposes unless this information is available to the general public.
 - D. Contractors/volunteers will not remove from files, or make copies of records or documents except in accordance with established procedures or upon proper authorization.

- E. Contractors/volunteers will not make statements or release official information that could breach the security of the institution/APA district office or unduly endanger any person.

- F. Former contractors/volunteers will be granted access only to information available to other members of the general public, and will have no greater standing than members of the public, irrespective of their past contractual relationship and/or any associations developed in the course of such relationships.

Illegal Activity

The very nature and purpose of the Department's existence demand that it closely monitors any alleged illegal activity by its employees and non-employees. Should any contractors, volunteers or interns be arrested for, charged with or convicted of any felony or degree misdemeanor (except for a minor misdemeanor), or is required to be a plaintiff in any court in a criminal matter, that person shall immediately inform his/her ODRC Contact Person or Intern Mentor. Such information shall be evaluated and may be reason to terminate the contract/service/internship immediately.

Conveying or Trafficking in Contraband

The introduction of contraband into or upon the grounds of any state property, or taking or attempting to take contraband there from, or otherwise trafficking in contraband without the knowledge and consent of the Site Manager of such institution/regional office is prohibited. Contraband is defined as "any" article which is intended for the unauthorized use or possession of any inmate or which is prohibited by law or Department Policy from being carried onto the grounds of an institution, detention facility or APA Office. Examples of contraband, which could be intended for an inmate's/offender's unauthorized possession or use, include letters, stamps, tools, paper, food, messages, and money. Examples of contraband, which are prohibited by law (ORC Section 2921.36), include firearms, knives, explosives, ammunition, drugs, and alcoholic beverages.

Investigations

Every contractor/volunteer/intern is required to immediately report to the Site Manager, or designee, any violation or attempted violation of any law or regulation, and any act or omission by any person which has resulted in a breach of institution security or jeopardizes the safety of others.

Allegations of misconduct will be investigated by the Appointing Authority or his designee (could be immediate supervisor or anyone else in the chain of command). Where appropriate, investigations will be coordinated and conducted by the Department Chief Inspector and/or other appropriate agency. The Ohio State Highway Patrol is responsible for investigating violations of Ohio laws occurring on state property.

During the course of an official investigation, contractors, volunteers and interns are to cooperate fully by providing all pertinent information that they may have. Failure to answer any inquiry fully and to the best of his/her knowledge may be grounds to terminate the contract or internship.

Government Property

1. All government property, including automobiles, identification badges, supplies, equipment, telephones, and facilities are to be used for official purposes only. Loss, misplacement, theft, damage, or destruction of government property issued to and used by contractors, volunteers and interns must be reported to his/her ODRC Contact Person or Intern Mentor immediately.
2. ODRC credentials, identification cards, or badges shall not be used to coerce, intimidate, or deceive others or to obtain any privilege or article not otherwise authorized in the performance of official duties.

Chain of Command

Every contractor/volunteer will be assigned an ODRC Contact Person, or Intern Mentor who will be responsible for informing each person of the rules, policies, and regulations relevant to their work at the institution. In their absence, the contact person shall be the Shift Supervisor, generally known as the Shift Captain or Acting Shift Captain or the previously designated APA staff. In cases of emergency, this person will always be available to respond to questions or needs.

Standards of Conduct

The following acts are prohibited and considered violations of appropriate conduct:
